## **Residents' Association Corner**

With our 2021-22 new members in attendance, the Association Board met on October 3 at the Blue Hill Activity Room.

At the same time, the Covid vaccine booster clinic was under way. Once again, we are all grateful to our management team, led by Deborah, for bringing this clinic here for our convenience. Approximately 180 doses were given through Sullivan Pharmacy in Roslindale Square. When possible, we might all consider using that pharmacy for our medical needs.

At the meeting the Board voted to send a donation of five hundred dollars to the Milton High School Shoolman Scholarship to honor the vision and commitment Marvin Gordon brought to the Fuller Village community. Marvin's family has been notified.

It was hoped at that time that some very generous contributions to the Raffle Table at the Fair could become a Silent Auction in December on the evening of the Fuller Village Chorus Concert. We have since pivoted again to hold most of these items for a Spring Auction event. More information will be presented when the Board reconvenes to consider the appropriate way to present this Auction. The recipients of the proceeds will be the same: The Milton Resident Fund and the Fuller Village Benevolent Fund as was voted at the October meeting.

A reminder that Friday and Sunday evening music presentations offer a wide array of local talent. Keep an eye on the performers coming here and consider attending some upcoming events. As the weather gets colder it is also the right time to rejoin some of the excellent Fitness Classes offered – a great way to reconnect with friends and neighbors.
