Holleran Consulting is the nation's leading provider of actionable engagement & satisfaction surveys for those who serve older adults. For more than 25 years, Holleran has specialized in researching and consulting with senior living providers, retirement communities, and healthcare systems to develop business strategies that match their mission, vision, and values. Holleran has over 1,000 client partners nationwide, in 43 states and Canada and has collected over 100,000 surveys for independent living for the past two years. Utilizing both public and proprietary data, alongside Holleran's extensive survey benchmarks, leaders gain a clear vision of the strengths and opportunities within their business.

Michele Holleran founded Holleran Consulting, LLC (also known as "Holleran") in 1992. History with Paolo at 7 pm (Brush Hill Function Room)

Topic: "From These Honored Dead": Commemoration and Remembrance

To many of us, Memorial Day marks the unofficial beginning of summer. The meaning of the holiday, however, is much deeper and more somber, a day to remember those who gave their lives in service to our nation. Yet, the holiday is not the only way in which those lost have been commemorated. Across the nation, in big cities and small towns, are countless monuments and memorials to celebrate the men and women who served and sacrificed. This talk will discuss some of these memorials, looking mainly at those found in New England.

Rich Travers Music History at 1 pm (Blue Hill Activity Room)

Topic: The Music of the Holocaust (Rescheduled from earlier this month)

Music was heard in many ghettos, concentration camps, and partisan outposts of Nazi-controlled Europe. While popular songs dating from before the war remained attractive as escapist fare, the ghetto, camp, and partisan settings also gave rise to a repertoire of new works. These included topical songs inspired by the latest gossip and news, and songs of personal expression that often concerned the loss of family and home.

Tabletop Indoor Scavenger Hunt at 2 pm (Brush Hill Function Room)

Simply pack a grocery/tote bag with at least 20 small items, or more if you wish, from any or all rooms from your home. Then come to the Brush Hill Function Room with your bag. Simple! There is no running around to find items. Each table of residents is a team and will be asked to produce an item. If at least one person at your table has that item, then your table/team wins a point! **The table with the most points wins and everyone at your table will get a prize!** You might be asked for a pen, a red toothbrush, salt shaker, spoon, a coin, etc. It's fun, it's easy and amazing what folks show up with! So, try something new and come have fun. Led by the Resident Association Activities Committee.
