Happy Father's Day and Happy Juneteenth

Monday, June 20th, our offices are open, including the café and dining room.

Budget and Fee Increase Meeting with Board President, Chris Heavey and Board Treasurer, Phil Mathews is scheduled for Tuesday, June 21st at 4:00 pm in the Brush Hill Function Room. Attached to this packet is information on the budget for Fiscal Year 2023 beginning October 1, 2022. Please bring this information to the meeting. At the request of some residents who cannot be at the meeting, we will record it and place it on the Touchtown App for your viewing.

Cord-mate Testing - For those residents who use our cord-mate system; We will begin testing them next week at Brush Hill. You will receive a phone call letting you know when we will perform the test on your cord-mate. We will be checking your bracelet or necklace that you use with the cord-mate system.

Exterior Window Washing is being scheduled for the week of June 27th. We will let you know the exact date!

Information on Irrigation for Villa Residents - Fifty zones are running to irrigate the Blue Hill campus. Each zone has 25 to 30 individual heads. Our focus is the front of the Villas and front of Foster and Depoyan buildings. Ideally every lawn would be watered overnight but the number of zones we have do not allow us to schedule only overnight watering. If you see an irrigation head that is directed the wrong way, give us a call and we can send someone to adjust it.

Chair Aerobics - At the request of a few residents, we have scheduled chair aerobics on channel 222 to broadcast on Saturdays and Sundays at 10:00 am and 2:00 pm. Now you can participate remotely in chair aerobics on Tuesday, Thursday, Saturday, and Sunday!

Eustis Estate – The Juneteenth Celebration takes place on Saturday, June 18th from 2:00 pm to 5:00 pm. Enjoy music, bring your own picnic and chairs! There will also be food for sale by local vendors.

Tree Trimming Around the Property - Our arborist has evaluated trees on our property and a crew will be here later in the month to do some trimming and removal of dead trees.

Dining - Laurie Shea, the new Dining Room Manager wants your feedback. Laurie is interested in your ideas and thoughts for dining. Please be in touch with her at lshea@undine.com. Vanessa Azemar will be transitioning to another role at Unidine and we wish her the best!

Grocery Trips – Our reduced Stop & Shop schedule (Mondays at 10 am, Wednesdays at 2 pm, Fridays at 10 am) has gone smoothly and received good feedback. In order to provide a variety of grocery options, we hope to add more trips to other grocery stores and farmers markets, possibly including Wegman's, Trader Joe's, Market Basket, and the Milton Farmer's Market. If you have feedback or input on which locations you would like to visit, please contact Julia at 617-361-2116 or jmacmahon@fullervillage.org.

Anthony Sammarco: The History of Baker Chocolate Company at 2 pm (BR Function Room)

In 1765, the story goes, Dr. James Baker of Dorchester, Massachusetts, stumbled upon a penniless Irish immigrant named John Hannon, who was crying on the banks of the mighty Neponset River. Hannon possessed the rare skills required to create chocolate—a delicacy exclusive to Europe—but had no way of putting this knowledge to use. Baker, with pockets bursting, wished to make a name for himself—and the two men would become America's first manufacturers of this rich treat, using a mill powered by the same river upon which they met. Local historian Anthony Sammarco details the delicious saga of Massachusetts's Baker Chocolate Company, from Hannon's mysterious disappearance and the famed La Belle Chocolatiere advertising campaign to cacao bean smuggling sparked by Revolutionary War blockades. *Sponsored by the Fuller Village Resident Association.*

In 1936, nine working-class boys from the University of Washington took the rowing world and the nation by storm, when their eight-oar crew team captured the gold medal at the Olympics in Berlin. These sons of loggers, shipyard workers and farmers overcame tremendous hardships – psychological, physical, economic – to beat not only the Ivy League teams of the East Coast, but Adolph Hitler's elite German rowers. The boys' unexpected victory, and the obstacles they overcame to achieve it, inspired a nation struggling to emerge from the depths of the Depression.

Residents' Association Corner

As stated in the Residents' Association Bylaws one mission of the Association is to "represent the interest of Residents to MFHC," and "to work with Residents and MFHC to maintain a residential community of the highest possible quality." In addition to other duties it is also stated, "the President shall serve as an ex officio voting member of the Board of Directors of MFHC." On June 8th I submitted a vote to the Board of Directors "in absentia" as follows:

Concerning the financial information, on behalf of myself and representing the residents I vote "no" on the proposed 9% monthly increase.

This would represent a 14% increase in the past two years. Under the current economic situation, I know that some residents are feeling financial anxiety and this increase will be stressful to some and painful to some.

The Board vote was 9-1.

Earlier this week Pat Kelleher, Vice President, and Irene Brannelly, Treasurer, and I met with Treasurer Phillip Mathews of the MFHC Board, along with Peggy Peyton and Deborah Felton. More information was presented in addition to the letter we all just received from President Chris Heavey. The Board of Directors is working toward operating income covering operating expenses. In addition, the inflation rate is high and unpredictable. Along with your copy of *Week at Fuller*, there will be additional budget information from our management for your attention.

There will be a meeting on Tuesday, June 21th at 4:00 p.m. at Brush Hill Function Room.
