History with Paolo at 7 pm (Blue Hill Activity Room)

Topic: The Fate of Empire: British Debate on the American Revolution

We often think of the American Revolution as a struggle for liberty against British tyranny. But the reality of the conflict was much more complex. The question of the fate of America was fiercely debated on both sides of the Atlantic Ocean. In the British Parliament, and in British society, people like Lord Fox, Lord Rockingham and others supported greater freedom for the colonies, while Tory politicians tried to keep a firm hold on King George III's American empire. This talk will discuss British attitudes and arguments about American independence.

Broadway: The American Musical Series at 7 pm (Brush Hill Function Room)

Episode One: Give My Regards to Broadway (1893-1927)

Throughout the summer, we will screen episodes of this epic PBS series whenever we do not have a Sunday night performer. This documentary showcases the razzle-dazzle story of this uniquely American art form. Featuring on-camera interviews with many of the principals involved in the development of the medium, the series draws on a wealth of rare performance footage and newly-restored film clips. Hosted by Julie Andrews, the six-part series offers the best seat in the house to the greatest Broadway shows of all time.

Residents' Association Corner

Many thanks to Marty Allen, Chair of the RA Activities Committee, for introducing Fuller to the game of **"Singo"**. Groups of residents sang along with the oldies AND had the opportunity to cover song names on a Singo Card. Like bingo there was prize money and smiling faces appeared. Thanks to Jeff Li, Lois Wasserman, Sara Moyer and Anne Segal for assisting with ticket sales and set up. Look for another edition of this game sometime later in the summer.

With Julia MacMahon's most pleasant and skillful assistance, the Association this week also presented **The History of the Baker Chocolate Company**. One could almost smell the scent of chocolate in the Brush Hill Activity Room.

Fuller Village Fair preparations are progressing with Nancy Kearns and Marty Allen, Co-Chairs doing much of the background work and organizing volunteers to make the Fair another great success. You will be hearing much more about how you can participate in this Residents' Association fundraising event.

If you come upon a great idea for the Residents' Association to support, either financially or with person power, there is a form available for you to share your idea. At each concierge desk, Blue Hill and Brush Hill, there is a **Project Review Form** which enables you to think though the support you may need to implement your idea. Association Board members can help guide you through this form.

The **Nominating Committee** of the Association, led by Cheryl Manoli, has been working on gathering names of residents who are interested in the open positions on the Association Board. By early August the "slate" will be announced.

On Tuesday, Board President, Chris Heavey, and Treasurer, Phil Mathews, met with residents to address questions about the newly announced increase in monthly rates. Their time and expertise given to the Fuller Village Corporation is appreciated. Peggy Payton, Comptroller, and Deborah Felton, Executive Director, also met with many residents to discuss questions about this increase.
