Spring into Summer Projects! During the week of June 5th, any remaining gutter inspections along with repairs and cleaning where needed will be done for the Villas with resident notifications to occur. AC filter replacements will be beginning for the Brush Hill buildings starting on Tuesday June 6th with resident notifications to occur prior for each building. You may have noticed the temporary banners for the Brush Hill entrance signage as we are having that signage cleaned and any necessary repairs done. You will also see other signage on the property receiving similar maintenance or being replaced with new signage in the coming weeks ahead. Exterior window cleaning is still scheduled to start the week of June 12th, along with power washing of the Brush Hill garages to be scheduled for later this summer. More information to come.

New Dates for Coffee Hours with Fuller's New Facilities Director. Please note date changes. Please come say hello and meet Fuller's New Facilities Director, Sean O'Brien, at our coffee hours: Blue Hill's on Monday 6/12 and Brush Hill's on Thursday 6/15.

These evenings will be on a first come, first serve basis with reservations required. Please see flyer for details!

Hold the Dates Reminder! The Summer Concert Series will be held on June 15th, July 20th and August 17th. Fuller's Mens Group will serve hot dogs from the grill at 5:30 p.m. with concerts to begin at 6:00 p.m. Bring a friend, grandchild or neighbor as these concerts are open to the public! See updated flyer with details! Special appreciation to our sponsors: Fuller Village Residents' Association, Best of Care, and the Bank of Canton. *The Gordon House Lounge will be closed on Summer Concert evenings.*

Important Driving Request. When entering Fuller's Brush Hill entrance please ensure you are observing the stop signs and adhering to which car has the right of way at our entrance intersection. I understand that at certain times of day the traffic on both Blue Hill Ave. and Brush Hill Rd. can be very frustrating, but one should NEVER "skip the line of traffic" and travel in the opposite lane to attempt to turn into our entrance. A head on collision that could have been disastrous almost occurred this week due to a hurried driver doing just that. Thank you for ensuring you drive with patience and adherence to the rules of the road both on and off our Fuller campus.

Juneteenth Holiday is Monday June 19th. Correction: The Brush Hill café will be open on this holiday.

Please be aware of new virtual kidnapping phone call scam! Some residents have shared recent news articles about a phone-based scam targeting grandparents where the caller demands cash payments or wire transfers by using virtual technology to clone the voice of your family members saying they're in jail or have been kidnapped. Authorities advise that should you receive such a call, do not panic and hang up. Call your family member directly to confirm their whereabouts and contact your local authorities to report this crime. Thank you all for your diligent, thoughtful sharing to allow for others to be aware as well.
